

Harker Robotics Championship Travel Commitment Agreement

This year Harker Robotics has a excellent chance of making the finals at one or both of our regional events. If the team makes it to the finals, then we will be going to the championship event in Houston, Texas at the George R. Brown Convention Center located at 1001 Avenida de las Americas, Houston, TX. The event runs from Wednesday, April 18th to Saturday, April 21st. The time to make arrangements for flights and hotel accommodations will be tight, so I need to know who is committed to attend the event in advance. Here is the proposed schedule:

Wednesday April 18: Fly to Houston on a early morning flight (we might have to fly in the night before). Arrive at the convention center between 12 and 4 PM for loading into the pits. The robot crate will have been shipped in advanced. The pits are open for business from 4 PM to 8:30 PM that same day.

Thursday, April 19 – Saturday, April 21: Event Games and Ceremonies

Sunday, April 22: Fly back from Houston.

A rough estimate for the cost of the trip is \$750 per student which covers the hotel for four nights with up to four students per room, round trip airfare and ground transportation.

Signing this form represents a hard commitment to attend the event and accept the associated costs. In the event that we make the regional finals, I will be making travel arrangements that same day. In the event that your student cannot attend the championship event after submitting this form, I will need to know, in writing (e-mail is fine), prior to making the reservations. Once the reservations are finalized, the costs will be nonrefundable.
